## **Introduction:**

At Charterhouse Lagos, we believe in fostering a sense of unity, discipline, and pride among our students. A school uniform is an essential component in achieving these objectives. Our uniform policy is designed to promote a positive and inclusive learning environment. All students are to adhere to the uniform requirements outlined below.

## **Uniform Provider:**

Our official uniform provider is Ruff 'n Tumble, a reputable local brand known for high quality children's clothing. Our Sports Kit provider is Sporteduplus, also a local high-quality brand.

## **Our Expectations:**

- School uniform must be always worn correctly in school and when on a school trip (unless special permission has been given).
- For PE or sports, the appropriate school sports uniform must be worn.
- Students may wear a watch and simple stud earrings. No other visible jewellery may be worn. (Parents are advised against giving students expensive smart watches; the school will not be liable for any damage or loss).
- Hair must always be clean and tidy, worn off the face and styled so as not to invite comment for any reason. (In some circumstances, e.g. sports or science lessons, students with long hair may be asked to tie it back with a suitable hair tie).
- Make-up is not permitted.
- Black polished shoes are a uniform requirement. Black trainers are not permitted. (See uniform guide for style).

## **Uniform Purchase:**

1. Parents can purchase uniforms online from Ruff 'n Tumble's official website, parents can find a link on the school's website.
2. Uniforms are also available for fitting and online purchasing at the Charters Boutique located next to the Welcome Centre in School, where students can try on samples for the right fit and our Boutique Supervisor can support the parents with the ordering process. Uniform can be delivered direct to your home or for collection at school.
3. The school bag, book bag, sports bag and swim bag are available for purchase at the Charterhouse Boutique in the school.

## **Adherence to the Uniform Policy**

1. Charterhouse Lagos students are expected to respect themselves and their school uniform, as such take pride in their presentation.

2. Where standards of presentation are not as expected, students may be subject to a relevant sanction as outlined in the school's Behaviour Policy.

We appreciate the cooperation of parents and guardians in ensuring that their children adhere to the school uniform policy. A neat and standardized appearance contributes positively to the overall school environment.
