

Technical Supervisor – Power Plant & High Voltage

Technical Supervisor – Power Plant & High Voltage

This is an exciting opportunity for a talented and hard-working individual with a desire to work in an environment that strives for excellence in all it does.

We are seeking a highly skilled and experienced Technical Supervisor to lead our power plant and high voltage team and be a part of our facilities team at Charterhouse Lagos, a British Independent School.

The successful candidate will be responsible for ensuring the safe and efficient operations, maintenance, and repair of the campus power generation and distribution assets.

Job Description

Position: Technical Supervisor – Power Plant & High Voltage

Reporting to: Facility Manager

Position Type: Full-Time

Collaboration: All Staff

Role Overview: The Technical Supervisor – Power Plant & High Voltage will play a crucial role in ensuring the efficient operation and maintenance of campus power generation.

Charterhouse Lagos is committed to safeguarding and promoting the welfare of all our students and expects all applicants to share this commitment. We follow safer recruitment practices which are aligned with recommendations from the International Task Force on Child Protection. We aspire to the highest international standards of recruiting practices with specific attention to child protection. All appointments are subject to interviews, identity checks, criminal record checks, social media checks and successful references.

Strong knowledge of power generation, transmission, and distribution systems.	Yes	
Excellent leadership and communication skills.	Yes	

Roles and Responsibilities

i	Supervise and coordinate the activities of power plant and high voltage maintenance teams.
ii	Ensure compliance with safety protocols, industry standards, and regulatory requirements.
iii	Oversee routine maintenance, repairs, and troubleshooting of power plant equipment and high voltage systems.
iv	Develop and implement maintenance schedules, procedures, and standards.
v	Conduct performance monitoring and analysis to optimize plant efficiency and reliability.
vi	Manage and coordinate with external contractors and vendors for power and high voltage systems.
vii	Provide technical guidance and training to technical team members.
viii	Investigate and report on incidents, near misses, and equipment failures.
ix	Provide daily, weekly and monthly power expenditure reports to include diesel and national grid cost.
x	Carry out any other tasks as assigned by the Facility Manager.

Official signing of the Charterhouse Lagos Agreement at Charterhouse UK

About our School

Opening in September 2024, Charterhouse Lagos aims to set a new standard in education provision in Nigeria and West Africa. With world-class facilities and a focus on excellence, we aim to create students with a passion for learning, for excellence and for leadership.

The school community is self-contained and lies in Ogombo on the Lekki Peninsula, Lagos. The secure compound will offer the best educational facilities in Nigeria. 24-hour security ensures that our students and staff can take advantage of the amazing facilities. We expect our older students to board at the school.

Facilities will include fully connected classrooms, science and STEM labs, music, art, drama and library spaces, an 800-seat professional standard theatre, a 25-metre competition pool, along with a learn to swim pool, an NBA standard indoor basketball stadium, outdoor and indoor football pitches, and a beautifully landscaped campus that offers relaxation as well as a connection to nature.

Primary School Atrium

The school will offer an international education for students aged 5 to 18 (Years 1 to 13) using the British curriculum and leading to the IGCSE and A level qualifications. These will allow our students to aspire to the very best universities worldwide.

Opening a new school is a huge challenge and adaptability will be key. We aim to create British style international school reflecting the heritage and culture of the great UK independent schools. We are seeking leaders who will bravely tackle challenges and challenge expectations; we want individuals who will set aspirational targets for students and staff and lofty goals for our school.

We hope that you will consider joining us to create an exciting new future in Lekki, Lagos.

The building is in progress and will be completed in 3 phases with the initial facilities for Years 1 to 6 opening in September 2024, and secondary school with Years 7 and * opening in September 2025.
