Safeguarding and promoting the welfare and well being of our students is a collective responsibility here at Charterhouse Lagos, and as such, is everyone's responsibility. We define safeguarding as proactively protecting our children in every aspect of their emotional, intellectual, physical and moral development and welfare.

Keeping our students is safe is central to everything that we do and we comply with State and National legal or other requirements for safeguarding as well as following international best practice. We also meet all standards required for international accreditation.

Our practices are fully informed by these principles and examples include:

Combining a rich historic legacy with a contemporary vision, Charterhouse Lagos sets a new standard of premium independent education for Nigeria and West Africa. Our sister school, Charterhouse UK's long-standing tradition of academic excellence and leadership in education extends all the way back to **1611**.

Charterhouse Lagos combines this rich legacy with a modern, forward-thinking approach to education, incorporating cutting-edge technology and evidence informed teaching methods and teacher professional learning that is tailored to the needs of today's global students.

Charterhouse Lagos nurtures a profound sense of local belonging and identity through the Primary school's Nigerian and African Studies programme, where rich cultural heritage is explored. The curriculum also sets the scene for 'Internationally minded' students who will grow into global citizens and leaders through the International Primary Curriculum and its stimulating worldwide thematic studies.

Our Campus

Our Campus at Charterhouse Lagos, located at Ogombo Road, Ajah, Lagos (Please add appropriate images to support the text as appropriate and please use HD stock images. I have put samples and example images below. These will speak much louder than the text.)

Our campus is a truly world class environment and community that embodies the quality of our premium British Independent education here in the heart of Nigeria and West Africa. It is both Visionary in design and thinking, and our 21st-century facilities. includes an NBA standard basketball arena. an 800-seater state of the art auditorium and professional theatre, a full sized 400m outdoor athletic track, a FIFA approved state-o-the-art Astro turf football pitch and specialist STEM, Science and ART rooms that offer world class space, equipment and technologies.

We are delighted that our campus breaks new ground for this part of the African continent. Key facilities include:

- **Primary School**
- **Lecture Theatre**
- **Art Room**
- **The Welcome Centre**
- **Boarding Houses**
- **Middle School**
- **Library**
- **Brooke Hall Dining Room**
- **Sports and Wellness Facilities**

Our Curriculum

Key Stage 1 and 2: Years 1 - 6

At Charterhouse Lagos, our students build knowledge, skills and understanding through weekly lessons in English*, Maths*, International Primary Curriculum*, 'Values' (PSHE)*, Art, Mandarin or French, Music, Nigerian and African Studies, Physical Education and STEM. *Class Lessons are taught by experienced international Teachers, supported by qualified Nigerian Assistant Teachers. Students benefit from Subject Specialist expertise in the other subjects.

The timetabled curriculum is underpinned by a 'Pastoral Platform' of events, activities and programmes that support every student's personal character development. Weekly Assemblies explore the school's six Values: Excellence, Respect, Integrity, Courtesy, Service and Wellbeing, and all students are members of one of our four School Houses: Amazon, Everest, Nile and Sahara. The School's Calendar also is sprinkled with important occasions of pastoral and cultural importance, including Nigeria Day, Anti-Bullying Week, Christmas Tree Lights, Chinese New Year, Safer Internet Day, Sports Day, Empathy Week, Swimming Gala and Speech Day.

Extra Curricular Activities (ECAs)

In alignment with our commitment to nurturing well-rounded individuals,

Charterhouse Lagos offers a diverse range of Extra-Curricular Activities (ECAs) for all Primary students. These are designed to enrich students' educational journeys, and students can engage in hobby, musical, artistic, sporting and community-orientated activities including STEM, sports academies and martial arts, model United Nations, debating and music and orchestra. We believe that active participation in these enriching activities helps build a comprehensive personal profile, helping prepare our students for a successful and positive future.

Our Boarding (Years 5 upwards)

"Who Wouldn't Want to Call Charterhouse Lagos a Home Away from Home?" At Charterhouse Lagos, we proudly extend the rich tradition of boarding excellence established at Charterhouse UK to our new campus at Charterhouse Lagos. Our commitment is to offer a high-quality boarding experience in a nurturing and secure environment. Our dedicated boarding staff, experienced in both education and pastoral care, focus on the holistic development of each student, supporting their physical, emotional, and academic growth. By fostering independence and encouraging personal exploration, we ensure that every boarder feels truly at home while embracing new opportunities and broadening their horizons.
